All crime victims and witnesses are strongly encouraged to immediately report the crime. In the event of a crime or other emergency students are instructed to notify any staff/faculty member of Gurnick Academy including the Security personnel if applicable. They will place the 911 calls. If the nature of the emergency is such that this is not possible, the students should call 911 themselves. Contact appropriate Campus Director for non-emergencies. This information is posted in several conspicuous places on Gurnick Academy premises.

Confidential Reporting:

Gurnick Academy of Medical Arts does not allow confidential reporting. All reports will be investigated. The academy does not have procedures for voluntary, confidential reporting of crime statistics. Any employee or student who is convicted of a criminal drug or alcohol violation must notify the academy in writing within five (5) calendar days of the conviction. The academy will take appropriate action within thirty (30) days of notification.

Consequences

Eligibility for Title IV programs may be suspended or terminated as part of a conviction.

Assistance

Gurnick Academy of Medical Arts recognizes that drug and alcohol abuse and addiction are treatable illnesses. We also realize that early intervention and support improve the success of rehabilitation. To support our employees, our drug-free workplace policy:

1. Encourages employees and students to utilize the services of qualified professionals in the community to assess the seriousness of suspected drug or alcohol problems and identify appropriate sources of help.
2. Ensures the availability of a current list of qualified community professionals.

Sanctions Gurnick Academy May Impose Following a Final Institutional Disciplinary Determination of Rape, Acquaintance Rape, Domestic Violence, Dating Violence, Sexual Assault, Stalking or Other Sexual Offense:

Sexual assaults violate the standards of conduct expected of every member of Gurnick Academy of Medical Arts. Sexual assault is a criminal act, which subjects the perpetrator to criminal and civil penalties under state and federal law. In all cases, Gurnick Academy will abide by and cooperate with local, state and federal sanctions. Academy disciplinary action may include expulsion depending on the seriousness of the situation. Gurnick Academy will review victim's academic standing after a sex offense or alleged sex offense if those changes are requested by the victim and are reasonably available.

Gurnick Academy will undertake an investigation of the sexual assault allegations in which the accuser and the accused are entitled the same opportunities to have others present during an institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or

GURNICK ACADEMY OF MEDICAL ARTS ANNUAL SECURITY REPORT 2016

proceeding by an advisor of choice. Students who have allegedly violated the code of conduct, or who have been accused of sexual harassment or other Title IX violations, may request a hearing by the Student Disciplinary Panel. The panel is composed of the Title IX Coordinator, the Director of Financial Aid and the Program Director. A faculty member may substitute for one of the panel members as necessary.

The complaining student will be asked to put his or her allegations in writing and a copy of the allegations will be provided to the alleged perpetrator. A hearing will be held within two weeks of receipt of the allegations, and the panel will hear from the complainant and the alleged perpetrator separately. Both parties may have anyone present with them for the hearing, including an advisor of their choice. The panel may call other students or employees as needed.

Both the accuser and the accused must be notified simultaneously and in writing of: the outcome of the proceeding, appeal procedures, any change to the result before it becomes final, and when the result becomes final. The parties will be provided the determinations concurrently. If other action is taken, and the alleged perpetrator remains in school, the complainant may request a transfer to another program start or shift as a protective measure. A transfer of the alleged perpetrator to another program start or shift may also be considered by the panel.

Gurnick Academy may impose sanctions following a final determination of a disciplinary proceeding regarding rape, acquaintance rape, or other forcible or non-forcible sex offenses including disciplinary action for students, which may include penalties up to and including expulsion from the academy. Disciplinary action imposed by Gurnick Academy will not be in lieu of penalty, fines or imprisonment imposed through the legal system.

For employees, appropriate personnel action will be taken in accordance with academy policies in the Employee Handbook.

The victim's confidentiality will be protected, including record keeping that excludes personally identifiable information on victims. If the complainant requests confidentiality or asks that the complaint not be pursued, the school will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the school will inform the complainant that its ability to respond may be limited. Title IX prohibits retaliation, and that school officials will not only take steps to prevent retaliation but also take strong responsive action if it occurs.
