Gurnick Academy of Medical Arts offers a 3-semester distance education program for RNs to complete their Bachelor of Science Degree in Nursing in one year. Each semester is 15 weeks in length and covers 5 courses. To develop an advanced skill base in demand by employers, students will also study the organization and function of health services, ethics and law in health care, writing skills for health professionals, leadership and management, nursing research, and essentials of patient education. Students will also take Community Health Nursing, which includes certification in reporting of child abuse and in disaster management.

- Institutionally Accredited by the Accrediting Bureau for Health Education Schools.
- Approved to operate by the California Bureau for Private Postsecondary Education.

**BSN Program – RN to BSN Pathway**

www.gurnick.edu
Our Bachelor of Science in Nursing Program includes didactic training as well as a clinical component that correlates with the theoretical knowledge. There are two clinical courses, Community Health Nursing Clinical and Leadership/Management in Nursing Clinical.

Our Program Curriculum provides students with the technical, clinical, and interpersonal skills necessary to succeed in this field. Emphasis will be placed on evidenced-based practice and critical thinking skills in the provision of safe and effective care to patients from diverse and multicultural populations and communities across the life span.

Our Bachelor of Science in Nursing Program (RN to BSN Pathway) is currently offered at Concord campus via Distance Education.
