Our Blended Program provides didactic training and a clinical internship component. Students may be required to take exams on-site at the campus.

Our Online Program offers didactic online with on-ground clinical internships available in the Fresno and Los Angeles areas.

Our Program Curriculum provides students with the technical, clinical, and interpersonal skills necessary to succeed in this field.

Our Clinical Education (Internship) is an integral part of the A.S. in MRI Program that facilitates the development of student competence with clinical skills.

We’re Accredited

- Institutionally Accredited by the Accrediting Bureau of Health Education Schools.
- Programmatically Accredited by American Registry of Magnetic Resonance Imaging Technologists.
- Programmatically Recognized by American Registry of Radiologic Technologists.
- Approved to operate by the California Bureau for Private Postsecondary Education.

*Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. Information about the Bureau for Private Postsecondary Education can be found at www.bppe.ca.gov.
