**Our B.S. in Nursing Program** includes didactic training as well as a clinical component that correlates with the theoretical knowledge. There are two clinical courses, Community Health Nursing Clinical and Leadership/Management in Nursing Clinical.

**Our Program Curriculum** provides students with the technical, clinical, and interpersonal skills necessary to succeed in this field. Emphasis will be placed on evidenced-based practice and critical thinking skills in the provision of safe and effective care to patients from diverse and multicultural populations and communities across the life span.

**We’re Accredited**

- Institutionally Accredited by the Accrediting Bureau of Health Education Schools
- Approved to operate by the California Bureau for Private Postsecondary Education

*Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. Information about the Bureau for Private Postsecondary Education can be found at [www.bppe.ca.gov](http://www.bppe.ca.gov).*
