The **A.O.S. in Respiratory Care Program** offers online academic training with an on-ground clinical component. Labs are conducted at the Concord and Modesto campuses, and clinical training takes place in the Concord and Modesto areas

Gurnick Academy of Medical Arts places great importance on clinical experience as a pivotal component of healthcare education. Students enrolled in our Respiratory Care program are required to undergo rotations at our affiliated medical facilities. Our Residential Clinical Sites are located in Concord and Modesto, CA.

The A.O.S. in Respiratory Care degree **enables** students to **qualify for the RRT examinations and pursue certification as a Registered Respiratory Care Practitioner (RCP) in California.**
