(747) 200-4567

The MRI Program provides **online academic training with an on-ground clinical component**.

Program curriculum provides students with the technical, clinical, and interpersonal skills necessary to succeed in the MRI field.

Students will attend **21-30 hours per week of hands-on clinical training** in live operational patient care settings. Clinical Externships run simultaneously with lectures.

We are Accredited & Approved

- Institutionally accredited by the Accrediting Bureau of Health Education Schools.*
- Approved to operate by the California Bureau for Private Postsecondary Education.**
