Sacramento, CA 95826  
(916) 588-2060

### Van Nuys Campus

15400 Sherman Way  
Suite 201  
Van Nuys, CA 91406  
(747) 200-4567

**The Nuclear Medicine Technology Program** delivers academic training online laboratory activities virtually, and clinical rotations on-ground.

### Program Curriculum

provides students with the technical, clinical, and interpersonal skills necessary to succeed in the nuclear medicine field.

**Students will attend** 16-32 hours per week of hands-on clinical training in live operational patient care settings. Clinical externships will take place in the second year of the program.

### We are Accredited & Approved

- Institutionally accredited by the Accrediting Bureau of Health Education Schools.\*
- Approved to operate by the California Bureau for Private Postsecondary Education.\*\*
- The Associate of Science in Nuclear Medicine Technology Program is programmatically accredited by the Joint Review Committee on Education in Nuclear Medicine Technology (JRCNMT).\*\*\*
