The Nuclear Medicine Technology Program delivers academic training online laboratory activities virtually, and clinical rotations on-ground.

Program Curriculum provides students with the technical, clinical, and interpersonal skills necessary to succeed in the nuclear medicine field.

Students will attend 16-32 hours per week of hands-on clinical training in live operational patient care settings. Clinical externships will take place in the second year of the program.

We are Accredited & Approved!

- ✓ Institutionally accredited by the Accrediting Bureau of Health Education Schools.*
- ✓ Approved to operate by the California Bureau for Private Postsecondary Education.**

*ABHES Contact Information:

6116 Executive Blvd., Suite 730, North Bethesda, MD 20852
(301) 291-7550 | info@abhes.org

**Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. Information about the Bureau for Private Postsecondary Education can be found at www.bppe.ca.gov.
