## The A.S. in Physical Therapist Assistant Program

includes academic lectures, laboratory training, and a clinical education component that correlates with theoretical knowledge and provides the necessary technical, clinical and interpersonal skills needed to succeed in this field.

**The Program** is conducted in classrooms equipped with audiovisual teaching aids, hi-lo exam tables, therapy stairs and parallel bars.

**Students will receive experience in Outpatient, SNF, and Inpatient Healthcare facilities.** Students have the opportunity for three (3) full-time clinical rotations at various types of local and out of state Physical Therapy facilities.
