The A.S. in Physical Therapist Assistant Program includes academic lectures, laboratory training, and a clinical education component that correlates with theoretical knowledge.

Program Curriculum provides students with the technical, clinical, and interpersonal skills necessary to succeed in this field.

The Program is conducted in classrooms equipped with audio-visual teaching aids, hi-lo exam tables, therapy stairs and parallel bars.

Students will receive experience in Outpatient, SNF, and Inpatient Healthcare facilities. Students have the opportunity for three (3) full-time clinical rotations at various types of local and out of state Physical Therapy facilities.
