Our Bachelor of Science in Diagnostic Medical Imaging Program develops students' technical and interpersonal skills to function in advanced roles within the imaging community.

The program offers varied subject content, including courses designed to prepare students for advanced-level examinations in specialized modalities, health administration and education, and imaging informatics.

Program applicants must be Credentialed Imaging Professionals (NMTCB, ARMTRIT, or ARDMS) who have completed a **minimum of 16 semester-equivalent units** of general education.

We are Accredited & Approved!

- ✓ Institutionally accredited by the Accrediting Bureau of Health Education Schools.*
- ✓ Approved to operate by the California Bureau for Private Postsecondary Education.**

***ABHES Contact Information:**
6116 Executive Blvd., Suite 730, North Bethesda, MD 20852
(301) 291-7550 | info@abhес.org

**Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. Information about the Bureau for Private Postsecondary Education can be found at www.bppe.ca.gov.
