GURNICK.EDU

The RN to BSN pathway consists of academic training and a clinical component correlating with theoretical knowledge. There are two clinical courses: Community Health Nursing Clinical and Leadership/Management in Nursing Clinical.

Program curriculum provides students with the technical, clinical, and interpersonal skills necessary to succeed in this field.

Emphasis will be placed on evidence-based practice and critical thinking skills to administer safe and effective care to patients from diverse, multicultural communities across the life span.

We are Accredited & Approved!

- ✓ Institutionally accredited by the Accrediting Bureau of Health Education Schools.*
- ✓ Approved to operate by the California Bureau for Private Postsecondary Education.**

***ABHES Contact Information:**
6116 Executive Blvd., Suite 730, North Bethesda, MD 20852
(301) 291-7550 | info@abhес.org

**Approval to operate means the institution is compliant with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations.
