Van Nuys Campus

15400 Sherman Way
Suite 201
Van Nuys, CA 91406
(747) 200-4567

The Radiation Therapy Program is delivered via Distance Education with an on-ground clinical component.

The program curriculum provides students with the fundamental knowledge to integrate theory into practice and hone effective critical thinking skills required to demonstrate professional competency.

Students will complete 1,620 hours of hands-on clinical training in various hospital and outpatient radiation oncology clinical settings. Externships take place during the second and third years of the program.

We are Accredited & Approved

- Institutionally accredited by the Accrediting Bureau of Health Education Schools.*
- Approved to operate by the California Bureau for Private Postsecondary Education.**
- Programmatically accredited by the Joint Review Committee on Education in Radiologic Technology
